Bose Krishnamachari

### “MCAP: A Decade of Architectural Excellence & Innovation”

MCAP commemorates its decennial by reflecting on a decade of nurturing architects, pushing boundaries, fostering innovation, and emphasizing sustainability. Celebratory events showcase student, alumni, and faculty achievements, inspiring architectural excellence for the future.

### Inaugural Ceremony of the Decennial Programme

The Inaugural Ceremony of the Decennial Programme commenced on January 9, 2024, at 9 am in the college auditorium. The programme was inaugurated by Prof. Ar. Abhay Vinayak Purohit, President, Council of Architecture, India

“Happy to visit your institution. Students and faculty are enthusiastic. They seem to be enjoying their work. Work quality and exhibition was fantastic. The overall ambience is great. Ar. Abhay Vinayak Purohit”

## PREAMBLE

The Trivandrum Social Service Society is an established NGO under the Trivandrum Latin Archdiocese and has many educational institutions at its credit. We run Community Colleges, Technical institutions and University Affiliated Degree Courses. Little Flower College of Nursing, Marian College of Arts and Science, St. Jacob's Training College(B.Ed) and Marian Engineering College have won wide recognition as centers of excellence. Our aim is to uplift the sidelined in the society and our mission is to give quality education to all. Marian College of Architecture and Planning is one of our ventures sharing these goals.

## VISION

Architecture being a basic human need, we strive to equip our students to play an essential and innovative role in improving human habitat.

## MISSION

M.CAP empower students to intervene critically into the social and environmental issues with deep understanding of the Principles of Design and inspiring them with a spirit of innovation and creative experimentation in shaping the built environment.

## OUR STRENGTH

As M.CAP embarks on its second decade it has embraced challenges head on and seized every opportunity to evolve. This includes latest technology into the curriculum, fostering collaboration with reputed institutions, building strong industrial connection and internship of students that compliment their education. Our eminent faculties have been involved in transforming our students into future leaders of the architectural world.
